## Hurricane Z3000 Stand on Blower

### Hurricane Z3000 Zero Turn Stand on Blower

Ideal for large size maintenance contractors, landscapers, seal coaters, schools, parks departments, cemeteries, resorts, street departments, golf courses and estate properties, the Hurricane Z3000\*\* doubles down on productivity with world class commercial cleanup power.

The Hurricane Z3000's seamless operating controls, tri-directional blowing options, robust blowing power and zero-turn maneuverability bring fatigue-free operation to busy operators with large leaf and debris clean-up projects. And with 8500 CFM coupled with a blower housing design that draws air from both sides for increased air velocity, pushing leaves and debris farther for a faster finish takes the chore out of the clean-up chore.

Engine Power Rating (hp)*35.0	Velocity (mph) 165+
Air Flow (cubic ft/min) 8,500+	Travel Speed (mph) 11
Fuel Capacity (gal)10	Fuel Type Regular, unleaded gasoline
Length (in) 65	Width (in) 45
Height (in) 56	Weight (lbs) 895
